the club's headquarters, sixteen-st. Ind-ave., at \$:30 o'clock, and will extend the fields of Bay Ridge, Fort Hamil-ath Beach and Bensonhurst, and the finish along Fourth-ave., from Eighty-sixth-st, to h-st, thereby giving spectators an excellent to view the most interesting and exciting chance to view the most interesting and excelling part of the run.

The Sea View Harriers themselves are in excellent condition for the run, and they will work hard to retain one or two of the prizes, as the title of champion is at stake. The club believes that it has the record for regularity in holding runs, not having missed a contest in three years during the running seasons. To hold this record it is necessary to run in the snow at times, and the members have more than once gone over their six-mile course without meeting a human being, and this in a costume in which many sunny-weather athletes would hilver at the seaside during the heated term. The run will be held at the stated time, rain or shine.
